ART UNIT      PAPER

20050617

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on April 11, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not list all of the claims readable on the elected species of Figures 2A/2B. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Further, the Examiner does not agree with Applicant's statement that Claim 1 is generic to all of the species. Since claim 1 does not read on at least the species of Figures 6A/6B, it cannot be generic to all of the species. Thus, the Examiner maintains his position that no claims are generic.
